## Serving @ church

As each has received a gift, use it to serve one another

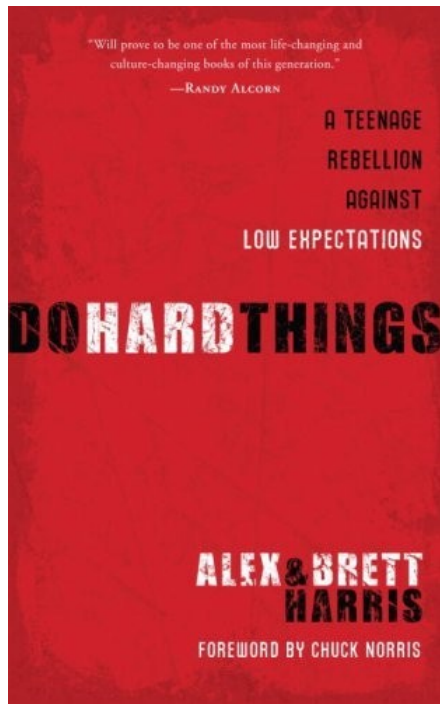

[1 Peter 4:10]

As a Pathfinders or a member of TNG you are included in the call to serve one another. You can welcome people, serve coffee/tea, do readings, prayers, help chose songs, operate the sound system...get more involved and serve the church.

On the Wednesday before we'll discuss who'll do what.

This is what we're going to read and discuss:

A growing movement of young people is rebelling against the low expectations of today's culture by choosing to "do hard things" for the glory of God. And Alex and Brett Harris are leading the charge.

*Do Hard Things* is the Harris twins' revolutionary message in its purest and most compelling form, giving readers a tangible glimpse of what is possible for teens who actively resist cultural lies that limit their potential.

Written by teens for teens, *Do Hard Things* is packed with humorous personal anecdotes, practical examples, and stories of real-life rebelutionaries in action. This rallying cry from the heart of an already-happening teen revolution challenges a generation to lay claim to a brighter future, starting today.
